Hi Peter,
Please find attached the letter that was sent to the residents today. I left a voicemail with Amit on Monday (6/4/2018), indicating that we will send this letter to the residents on Wednesday. We provided a preview copy to DTSC and the City of Riverside on Monday. Please let me know if / when you want to discuss our conclusions and recommendations. We ask that you treat the information in the letter as confidential information, to protect the privacy of the residents.
Sincerely
Gabriele

Nancy,

Yes, we have the letter. However, it is not signed so I assumed that it was being provided as a draft. Can you please confirm that it was in fact sent out. Is there a signed copy that can be provided?

Hi Peter,

I see that Kelly attached a copy of the letter and fact sheet that Gabriele had emailed you. This is the same letter I was going to email you and the one the residents will receive, so since you have it I won't resend it, but do let me know if you need anything else.

Nancy
